

שִׁיּוּר בְּשִׁיר *Shi'ur b'Shir*

A Journey to the Divine through Torah and Song

Shiur b'Shir (A Lesson in Song) is an interactive program of original music and *midrash* (storytelling) that takes participants on a journey towards the Divine Essence. Unique and timely, each session integrates Torah text, liturgy, and mystical teachings to create a sacred experience.

The program is led by **Batya Diamond**, singer/songwriter, teacher and spiritual leader. Batya brings her musical talents and compassionate leadership to Shabbat, holiday and healing services, *Rosh Chodesh* celebrations, *Mezuzah*/Home Dedication ceremonies, meditation workshops, retreats and other community events.

Shiur b'Shir is customized based on the calendar and on your group's interests. For more information contact:
